JOSE IGNACIO, PUNTA DEL ESTE

Villa Zebianna is a striking contemporary concept residence surrounded by the iconic dunes of Jose Ignacio. This luxury vacation rental reimagines coastal residential living with its bold design and avant-garde vision, sure to captivate the aesthetically curious. Perched on a bluff, this villa rental commands glorious views of the ocean and dunes and is just a few steps away from the enchanting sands of La Juanita.

This chic stilted property pops up from the dense brush, its uncanny quadrant shape offering an utterly unique take on the contemporary beach house. Industrial chic meets pared-down simplicity and romanticism in the estate's high-concept interiors. Its warm yet minimalist furnishings offer a blend of mid-century and Scandinavian aesthetics. Its five ensuite bedrooms with oversized sliding porthole windows give the space a whimsical touch.

Scintillating casinos, glamorous beaches, and famed club zones brimming with the buzz of celebrity sightings and gossip make up Punta's mystique.
