CASA AQUILA

LA PUNTA ESTATES, PUNTA MITA

Casa Aquila is an astounding waterfront estate perfected in the art of luxury beach living. Brimming with all the prestige of its coveted Punta Mita location, Aquila offers some of the peninsula's most coveted beach complexes. Breathtaking natural beauty and dazzling ocean views are only matched by immaculate decor and furnishings offering the ultimate fusion of tropical exoticism and cosmopolitan glamor.

This striking statement home offers a bold indoor-outdoor living philosophy, with a majestic central living palapa separating the two wings of this dazzling home. The cavernous thatched roof hosts an abundance of dreamy suspended lanterns, the space fuses Central American exoticism with chic pops of color courtesy of the low-profile contemporary furnishings. Pristine rounded edge sculptural interiors radiate with an ethereal beauty, backlit by soft LED lighting, lending a serene naturalism to the Zen-styled home. Gorgeous palettes of red, terracotta, burgundy, and wood ground the expansive and uncluttered interiors in a delectable warmth, instilling an exceptionally inviting ambiance. Retractable glass walls bring the full extent of the ocean horizon indoors, accounting for Casa Aquila's uncanny sense of oneness and permeability with the exteriors. A sanctuary like no other, this complex entails a spa room, Zen fountain, and gym facilities covering all the bases from recreation to relaxation. Eight exceptional ensuite bedrooms are expertly configured to accommodate eighteen guests in utmost comfort, discretion, and elegance.

The home's outstanding external infrastructure is a veritable highlight, offering no shortage of expansive shaded and unshaded deck space. Immaculately manicured lawns, towering palms, and serene koi ponds curate outstanding grounds complete with a rooftop deck, multiple outdoor living areas, and a glamorous ocean-facing infinity pool.
