CASA ARAMARA

RANCHOS ESTATES, PUNTA MITA

Villa Aramara is a spellbinding oceanfront property matching the prestige of its revered Punta Mita location. Otherworldly serenity and blissful relaxation meet the pinnacle of white glove services in a fully customized home designed by the world-famous Martyn Lawrence Bullard. A coastal oasis awaits, dotted by lush tropical gardens and acres of manicured lawns alongside ethereal white sand beaches.

This thoroughly contemporary vacation property presents a dazzling fusion of haute couture sophistication and seaswept exoticism. An intuitive and dynamic layout disrupts the distinction between indoor and outdoor space, interfacing gracefully with its magical surroundings. Wide openings, sliding louvered doors, and seamless access to the outdoors from any point of the home embodies breezy beachside luxury. Modern precision and linear dimensions meet the organic rusticism of exposed beam palapa thatched ceilings while shimmering travertine floors and designer furnishings emanate a timeless sense of opulence and refinement. A diversity of open-ended lounge and living spaces channel subtle Southeast Asian decor elements in common areas perpetually wafted by fragrant tropical fragrance. A destination in and of itself, Villa Aramara is lauded for its robust wellness amenities and fully equipped gourmet kitchen beckoning kaleidoscopic gastronomic journeys. 12 individually designed bedrooms flaunt a unique gradient of beach-chic cool, replete with pleasing design elements and details sure to dazzle the aesthete of the group. This luxury vacation Villa's suites are configured between the primary residence and the guest house affording twenty guests unmatched autonomy and discretion.

Exteriors match the high pedigree of the interior design, with three freeform outdoor Jacuzzis splayed before a majestic turquoise horizon framed by soaring palms. Plentiful covered alfresco seating and private verandas offer no shortage of vantage points for soaking in the splendor of the outdoors. Onsite tennis and half- basketball courts, a rumpus room, and a massage parlor cover all bases for relaxation, recreation, and leisure.
