CASA BELLA

RANCHOS ESTATES, PUNTA MITA

Casa Bella is an exquisite tropical paradise, overlooking picture-perfect ocean panoramas on the prestigious gated Punta Mita peninsula. Brimming with exoticism and Bali-style luxury, the palapa pavilions of Casa Bella are nothing short of enthralling, the spacious complex extending to include your own slice of Caribbean shoreline.

A formal dining room is embraced in the confines of a traditional circular palapa hut, the space abounding in island rusticism as it does in choice decor. Oversized bay windows open up the space to endless ocean vistas, a dangling chandelier from the soaring ceilings creating a phenomenal ambiance below the thatched roof. The stately living rooms are drenched in exoticism, and SouthEast Asian styled decor, shining marble floors combined with regal weaved loveseats, and a low profile divan propped up by fine stone to shape this stunning common room. Antique detailing, bronze statuettes, exorbitant vases, and ceramics create an uncanny ambiance; the villa reconciles scale, authenticity, style, and comfort. The natural elements are put at the forefront in this home, with thick, glorious slabs of stone, natural wood accents, wicker, and thatched roof textures. Between nine spacious bedrooms, this sprawling estate offers the pinnacle and comfort and discretion for each guest, ensuite bathrooms, garden, and ocean views du jour in this home.

The outdoors are spectacular; ample deck space and outdoor seating areas embrace a slinky curvaceous outdoor pool. A complete private oasis is at the guests' disposal, with hammocks, pergolas aplenty for carefree lounging by the pool or the coastline.
