CASA TESORO

LA PUNTA ESTATES, PUNTA MITA

Casa Tesoro is a unique contemporary property and one of Punta Mita's best-kept secrets. Straddling a coastal bluff, this home commands breathtaking vistas incorporating a stunning stretch of white sand beach and the infinite expanse of the ocean.

A gorgeous sandstone facade invokes the elegance of Tuscany's most dazzling country homes. Its unique polygonal shape interacts with its stunning environs maximally, graced with expansive floor-to-ceiling windows inundating the interiors with the fullest extent of ocean vistas. High culture refinement meets rural romanticism in serene, textured interiors awash in dazzling beige, tan, and wood-toned hues. Exposed beam ceilings and ample native stone accents evoke a gorgeous naturalism to the living space. Elsewhere soaring double-height ceilings and chic LED lighting ground Tesoro in the 21st century, a striking dining hall and gourmet kitchen toeing the line between urban-chic sophistication and Central American exoticism. Villa Tesoro flaunts three showstopping oceanview master suites, outfitted with king-sized bedding, a private balcony, and lavish ensuite bathrooms with free-standing bathtubs and rain showers. Additional amenities include a gym, Jacuzzi, sauna, massage tables, wine cellar, and home theater covering all the bases from leisure and recreation to relaxation. Comprised of a primary residence and guest house, up to eighteen guests, may be accommodated in utmost comfort, discretion, and luxury.

Indulge in the exclusivity of a private beachfront a few barefoot steps from this lavish abode. Taking full advantage of its coveted natural positioning, the expansive deck offers no shortage of shaded and unshaded areas for soaking in the sights. A heated pool and two outdoor jacuzzis ground the outdoors before picture-perfect sunset scenes.
