VILLA SAMBA

LA PUNTA ESTATES, PUNTA MITA

Villa Samba is a glorious beachfront luxury rental doused in tropical glamor and regal exoticism. This exquisite oasis is perched on resort-style grounds traversing lush gardens, ponds, and serene water features.

One of the gorgeous pavilions features striking contemporary vertices, a delectable marriage of stone and wood accents abound with an unmistakable mid-century modern elegance. Dramatic sloped ceilings and clerestory windows impart an exquisite sense of dynamism to the structure. The spacious state-of-the-art kitchen is enveloped in rich native wood paneling, the gourmet space exceptionally appointed with high-end appliances. A central stone Island beckons fantastic fine dining experiences. Boldly collapsing the distinction between indoor and outdoor living, Villa Samba's living room is set under the shade of the focal thatched palapa, boasting comfortable sofa seating and dining areas commanding exceptional views over the nearby infinity pool and ocean. Each of the bedrooms is situated in a luxury casita with sweeping ceilings, private patios, and garden or ocean views, ensuring the utmost comfort and discretion for each of the fourteen guests. Additional amenities include a wet bar, two office spaces, and a top-notch fitness room.

The outdoors resemble a veritable garden of tropical delights, with secret garden nooks and private pathways, this Punta Mita luxury vacation rental never ceases to surprise. Two beachside swimming pools and two jacuzzis curate a world of spontaneity, entertaining and bodily bliss.
