CASA LA PERLA ESCONDIDA

SAYULITA, PUNTA SAYULITA

Casa La Perla Escondida is an astounding multi-level estate pushing the bounds of luxury beachside living. Lauded for its otherworldly serenity and dazzling bay views, this estate straddles a lush bluff brimming with tropical vegetation. The home's prestigious perch is matched with convenience, located moments away from nearby beach clubs and a wondrous network of hiking and mountain bike trails, ideal for outdoorsy guests.

This commanding complex presents a veritable masterwork of Modern Mexican design, employing authentic palapa thatched canopies and roofing. A stunning merger of contemporary elegance with a dreamy beachy rusticism, La Perla presents a bold indoor-outdoor living philosophy where dazzling coastal views are fully integrated into the home's free-flowing common spaces. Sliding glass walls and elongated clerestory openings enhance the triple-story great room's extraordinary sense of verticality. Built-in banquettes are garnished with globetrotting trinkets and intriguing sculptures, imbuing the seating areas with high culture intrigue. Propeller fans and chandeliers suspended by nautical rope impart a bohemian organicism to the warm, free-flowing space. An intuitive layout melding the dining, seating, and alfresco areas beckons spontaneous get-togethers and celebratory affairs. The beautifully-appointed kitchen features top-of-the-line amenities with an adjacent outdoor grilling patio. Each of the five bedrooms presents a unified decor motif with neutral tones and tasteful pops of color inspired by the tropical surroundings. Bedrooms feature ensuite bathrooms equipped with luxury toiletries and bathrobes, hotel-quality linens, flat-screen televisions, and terraces commanding stunning views.

An exceptional outdoor patio leaves no shortage of vantage points for soaking in the spellbinding Pacific views. Bohemian driftwood furniture and wicker lanterns make up a serene tropical ambiance, best enjoyed at dusk in good company with a fine glass of red in hand. A plethora of shaded and unshaded deck space convene around the focal infinity pool, jutting out dramatically towards the infinite blue horizon.
