VILLA CELESTINE

SAINT JEAN CAP FERRAT, SAINT JEAN CAP FERRAT

Villa Celestine is an outstanding grandiose estate whose hillside vantage point provides some of the most stunning mountain sea views stretching from the quaint commune of Eze, to Monaco and Italy beyond that. A leisurely five-minute walk separates the Villa from Saint Jean Cap Ferret's harbor, while 15-minute car rides deliver guests to the enthralling coastal cities of Monaco and Nice.

The sprawling 12,000 sq. ft estate leaves no expense spared, each inch of its regally sized grounds exuding the utmost sophistication and refinement. Oversized arched windows pour light into a marble-floored great room stretching the entire length of the wrap-around deck. Lush neutral palettes of beige, light grey, and green imbue the grandiose space into a softness, highlighted by the number of sumptuous seating arrangements convening around a fireplace or coffee table, the room embraced by 270-degree mountain and sea views. A dark wood dining table merges with an ultra-sleek, streamlined kitchen, with highly textured grey dining chairs for a sophisticated modern look. Eight double ensuite bedrooms are at the home’s disposal, each equipped with luscious ensuite baths, each more enticing than the last, fusing generous dashes of glass and premium marble surfaces, with one of the bedrooms internally connected to another and not featuring a separate private entrance. This estate is serviced by a private elevator with a median room, hammam, sauna and indoor pool with spa lounge for peak comfort. The residence also features an outdoor fitness area, next to the pool house, equipped with three professional-grade machines.

The outdoor spaces are designed for refined leisure and effortless entertaining, featuring expansive terraces that open to panoramic sea and mountain views. Generous shaded lounges and sun-drenched relaxation areas create an idyllic setting from morning to evening, while the landscaped gardens and elegant pool terrace provide a spectacular backdrop for alfresco dining and gatherings. A dedicated pool house enhances the experience, offering a fully equipped summer kitchen ideal for outdoor living and hospitality.
