VILLA CELESTINE

SAINT JEAN CAP FERRAT, SAINT JEAN CAP FERRAT

Villa Celestine is an outstanding grandiose estate whose hillside vantage point provides some of the most stunning mountain sea views stretching from the quaint commune of Eze, to Monaco and Italy beyond that. A leisurely five-minute walk separates the Villa from Saint Jean Cap Ferret's harbor, while 15-minute car rides deliver guests to the enthralling coastal cities of Monaco and Nice.

The sprawling 12916 sq. ft estate leaves no expense spared, each inch of its regally sized grounds exuding the utmost sophistication and refinement. Oversized arched windows pour light into a marble-floored great room stretching the entire length of the wrap-around deck. Lush neutral palettes of beige, light grey, and green imbue the grandiose space into a softness, highlighted by the number of sumptuous seating arrangements convening around a fireplace or coffee table, the room embraced by 270-degree mountain and sea views. A dark wood dining table merges with an ultra-sleek, streamlined kitchen, with highly textured grey dining chairs for a sophisticated modern look. Eight double ensuite bedrooms are at the home's disposal, each equipped with luscious ensuite baths, each more enticing than the last, fusing generous dashes of glass, premium marble surfaces. The three-bedroom estate is serviced by a private elevator with an in-home cinema, hammam, and sauna for peak comfort.

The superb 6.500 sq. ft heated infinity pool remarkably stretches from the indoors to the outdoor deck, where stunning views and plentiful shade abound. With ample lounge space, the wrap-around sundeck makes a spectacle out of each time of day or night, with one-of-a-kind views spanning multiple nation-states beckoning lavish entertaining, grilling or alfresco dining. An additional pool house provides invaluable onsite help with a fully equipped summer kitchen.
