VILLA DIANA

MONT BORON, SAINT JEAN CAP FERRAT

Villa Diana is an extraordinary Belle Epoque estate gracefully set above the luminous waters of the Bay of Villefranche-sur-Mer. Enveloped by approximately four hectares of private, manicured parkland, the property unfolds across four elegant buildings, each seamlessly integrated into a verdant Mediterranean landscape. The estate offers a rare sense of scale, privacy, and tranquillity, where refined architecture and natural beauty exist in perfect harmony.

The interiors reveal a masterful balance of historic grandeur and contemporary comfort. Original period furnishings, arched passageways, painted ceilings, and finely detailed coffered accents create an atmosphere of timeless sophistication. The formal dining room stands as a centerpiece of the residence, centered around an impressive oval table designed to host memorable gatherings of up to sixteen guests. Across the estate's fifteen beautifully appointed bedrooms, understated luxury prevails, with each space conceived as a private retreat that reflects the elegance of the surrounding Riviera setting. An elevator discreetly services the main building's five levels, ensuring effortless movement throughout the residence. Leisure and wellbeing are woven seamlessly into the experience. A heated infinity-style swimming pool invites moments of quiet indulgence, overlooking the serene coastal panorama, while a private sauna offers a secluded haven for relaxation and rejuvenation after sun-filled days.

Outdoors, Villa Diana unfolds as a peaceful sanctuary of gardens and terraces, where mature trees, curated greenery, and open lawns frame the estate in natural splendour. Sun-drenched lounging areas invite unhurried afternoons, while the gentle rhythm of the Riviera sets the tone for an experience defined by elegance, privacy, and effortless luxury in Saint-Jean-Cap-Ferrat.
