## VILLA CANOTEN

CANOUAN, SAINT VINCENT AND THE GRENADINES

Villa Canoten is an opulent estate within the esteemed Canouan Estate collection, redefining the essence of an exclusive island retreat. Nestled amidst the verdant hillsides of Canouan Island, this Saint Vincent and the Grenadines luxury vacation rental offers unparalleled vistas over the shimmering turquoise waters of the Caribbean. Removed from the hustle of Barbados, it serves as a sanctuary of tranquility and natural beauty, where the lush, unspoiled landscape harmonizes seamlessly with the sophisticated charm of the villa's design.

Embracing an open-concept living philosophy, the villa's expansive great room embodies the quintessence of luxurious island living. Retractable shutters unveil an unbroken panorama of the ocean, inviting an abundance of natural light to cascade through the interiors. The design masterfully blends bohemian elegance with exotic elements, featuring rattan and wicker furnishings that complement the timeless appeal of antique Balinese pieces. Lofty vaulted ceilings enhance the sense of space and airiness, while polished travertine flooring extends seamlessly to the outdoor deck, creating an effortless flow between the interior and exterior spaces. The gourmet kitchen, equipped with state-of-the-art appliances and a spacious island, caters to the most discerning culinary endeavors. Accommodating up to eight guests in four lavishly appointed en suite bedrooms, three in the primary residence and one in a secluded guest cottage, this Saint Vincent and the Grenadines luxury vacation rental ensures a serene and private retreat for each visitor, with private verandas that frame breathtaking ocean views, providing a sense of security and exclusivity.

Outside, the estate presents an idyllic setting for relaxation and leisure. A series of elegantly crafted wooden staircases meander through the verdant hillside, leading to a charming gazebo designed for all-day enjoyment. The inviting sea-view pool offers a refreshing escape from the afternoon sun, while plush sun loungers dotting the expansive terrace beckon for leisurely afternoons spent basking in the serene beauty of this remarkable coastal oasis.
