VILLA IL SOGNO

CANOUAN, SAINT VINCENT AND THE GRENADINES

Villa Il Sogno is a fabulous tropical island getaway perched on a lush hilltop, commanding extraordinary bay views. The far-reaching vistas capture a stunning distillation of Canouan Island's natural beauty, stretching to the Southern Grenadine Islands in the distance. This Saint Vincent and the Grenadines luxury vacation rental offers an otherworldly serenity, inviting guests to indulge in its exceptional tranquility.

Il Sogna posits a bold indoor-outdoor living philosophy, with the living and dining room weaving imperceptible with the outdoor deck, veranda spaces, and bedroom pavilions. A glorious main pavilion presents a scintillating fusion of tropical romanticism and edge post-modern panache. Warm wood and rattan accents are the ultimate accompaniment to a host of saturated neo-expressionist prints and pop art, adding a delectable cosmopolitan edge to the interiors. Wide openings and retractable glass walls make up a permeable estate in harmony with its lush tropical environs. This incredible estate comprises five cottage suites with a bedroom, bathroom, sitting room, and a large veranda, rounding off an idyllic escape for couples and families. Each cottage is outfitted with two televisions, a sound system, a desk with a telephone and wireless internet connection, a refrigerator, and a coffeemaker. Additional amenities include a lavish media room.

The Villa's sublime exteriors include a 59-foot infinity pool, sun deck, and two-story gazebo complete with a fully equipped outdoor bar and grill. Moreover, the gardens surrounding the Il Sogno property are second to none, with all-season blooming from the garden's diverse native and exotic flora.
