VILLA NATALIE

MONTECITO, SANTA BARBARA

Villa Natalie is a palatial estate mastered in the glory of Iberian and Palladian classicism within minutes of Montecito's Upper and Lower Villages. Boasting immaculate Mediterranean charm, regal landscaping, and majestic mountain views, this lush oasis stands among the region's most coveted properties.

Palm trees line the drive to the gracious motor court with manicured gardens. A grand two-story foyer with a sweeping staircase and limestone floors dazzle guests upon arrival. Downstairs lies a timeless provincial-style salon doused in exorbitant custard tones and enhanced with exposed wood ceilings revealing the finest craftsmanship. Glimmering hardwood floors, oversized Hispano-arabesque arched windows, and a Tuscan-styled limestone fireplace exude timeless elegance and homeliness. An ornate wood-paneled library imparts an element of eternal aristocratic prestige, offering an exemplary area for study, contemplation, or intimate wind-downs. A stunning open-concept kitchen is equipped with state-of-the-art appliances with an expansive center island ideal for versatile entertaining. With 9430 sq. ft of elite living space between six bedrooms, Villa Natalie spares no expense, ensuring each guest's total discretion and comfort. The upper floor master suite features his and her bathrooms and closets decorated with an authentic Venetian plaster finish. Two additional ensuite bedrooms are on this level with their private terraces. An in-home fitness room beckons invigorating morning routines sure to keep guests at their optimum.

The expansive outdoors are reminiscent of the Renaissance-era Mediterranean court, flush with verdant greenery and an Imperial staircase leading down to the lower terrace. Grandiose and stately, the upper pavilion delivers stunning landscape and pool views, while the lower deck provides a charming dining veranda with plentiful poolside lounge space.
