CASA MILYA

SANTA TERESA BEACH, SANTA TERESA

Casa Milya is a glorious beachside retreat in Santa Teresa, Costa Rica, a few barefoot steps from some of Central America's most dazzling stretches of coastline. Within walking distance to town amenities, bars, and fine dining establishments, Milya is an idyllic getaway for reconnecting with the elements or watersports, located within five minutes of the famed Banana Beach surf break.

Exquisite common areas are perfected in beach-chic elegance, palapa thatched accents blending harmoniously with modern concrete plaster accents. Sliding Fleetwood windows envelop the interiors in radiant light, curating an extraordinary sense of harmony and permeability with the lush exteriors. A spacious living area is ideal for gatherings and relaxing, while a fully furnished kitchen with island seating for four beckons spontaneity and socialization. It is equipped with top-of-the-line appliances, allowing the opportunity for casual and lavish dining affairs. This villa offers four master suites, each with an en-suite bathroom. Each opens up to the pool, while the focal Bali Ocean View Master Suite opens right up to the beach as well. All the rooms feature king-sized bedding for maximum comfort, while two additional children's beds keep lodging options versatile.

The pool has a swimming section and a tanning shelf, perfect for casual lounging. The outdoor area features an expansive alfresco dining table fit to accommodate an entire party. A yoga deck and BBQ are outside on the lawn, bookend glorious morning and dusk routines.

SANTA TERESA

SANTA TERESA BEACH

Santa Teresa, in Costa Rica, is a charming little surf village known for incredible beauty with its white sand coves, steep jungle-covered hills and forests teeming with monkeys and exotic birds. It has excellent surf year round, many food options and an unbeatable atmosphere. The highlight of Santa Teresa are the gorgeous beaches. Besides surfing and sunbathing, beaches serve as the main gathering place, especially at sunset. From around five in the afternoon until well after the sun sets at around six, it seems like the whole town comes out. Small and large groups gather on the sand, surfers catch their last waves of the day, and everyone tries to get that perfect sunset selfie. Although this jungle-backed beach town is remote, it certainly is not dull. Hip restaurants, beach parties, consistent surf breaks, jaw-dropping sunsets, tasty eats, and a social vibe that lets visitors reimagine what life is all about, it's no wonder Santa Teresa is one of Costa Rica's hot spots.
