CASA MIRELLA

SANTA TERESA BEACH, SANTA TERESA

Casa Magnifique is an enchanting retreat straddled between lush jungle, commanding far-reaching views over some of Costa Rica's most majestic coastlines. Decisively earning its moniker, this property is lauded for its extensive west-facing terraces, the sky over the endless Pacific painting sunset moments that are nothing short of magnificent.

Chic, fresh and imaginative interiors are fully attuned to an uncanny Caribbean spirit, fusing saturated color with ultra-chic sophistication. An exceptional palette of teal and wood runs throughout aesthetically immaculate open-concept spaces fully open to the outdoors. Expansive floor-to-ceiling windows wrap across an excellent entertainment area, with an ambient ocean horizon and fragrant breeze accompanying rounds of billiards and spontaneous moments with friends. Sloped ceilings, playful wallpaper, and gorgeous plaster-finished pastel walls complement a rich palette of saturated color and indulgent velour upholstery. Youthful yet sophisticated, there is no denying Casa Magnifique's high fashion bohemian appeal, flaunting an intuitive floorplan adjacent to impromptu celebration and congregating. Three gorgeous ensuite bedrooms are fully attuned to the spirit of wanderlust and tropical romanticism, each granted private balconies delivering exceptional views.

The outdoors make maximum use of Casa Magnifique's hilltop perch, replete with an extended veranda smattered with alluring sun loungers and swinging chairs. An infinity-edge pool extends dramatically towards the horizon, making up a coveted venue to soak up the sights. A stylish BBQ lounge completes the alfresco experience, perfect for leisurely lunches and sunset feasts.

SANTA TERESA

SANTA TERESA BEACH

Santa Teresa, in Costa Rica, is a charming little surf village known for incredible beauty with its white sand coves, steep jungle-covered hills and forests teeming with monkeys and exotic birds. It has excellent surf year round, many food options and an unbeatable atmosphere. The highlight of Santa Teresa are the gorgeous beaches. Besides surfing and sunbathing, beaches serve as the main gathering place, especially at sunset. From around five in the afternoon until well after the sun sets at around six, it seems like the whole town comes out. Small and large groups gather on the sand, surfers catch their last waves of the day, and everyone tries to get that perfect sunset selfie. Although this jungle-backed beach town is remote, it certainly is not dull. Hip restaurants, beach parties, consistent surf breaks, jaw-dropping sunsets, tasty eats, and a social vibe that lets visitors reimagine what life is all about, it's no wonder Santa Teresa is one of Costa Rica's hot spots.
