VILLA EROSANTORINI

MESARIA, SANTORINI

Villa Erosantorini is an exquisite clifftop estate retreat poised overlooking the majesty of Santorini's caldera and volcano. A dramatic natural setting evokes the epic mythologies of Ulysses, while a lush two-acre lot curates an oasis of total seclusion in the revered Messaria region. This unique property claims some of the planet's most breathtaking vistas spanning Santorini's iconic whitewashed villages, epic sunsets, and vibrant land and seascapes.

Acclaimed international interior designer Paola Navone has gone above and beyond with Villa Erosantorini, perfecting a distinctly Aegean vision of luxury living. Pared down and minimal, yet never austere, this home's perpetually sun-kissed interiors curate a spectacularly soothing seaswept ambiance. Traditional Cycladic aesthetics meets the pinnacle of cosmopolitan sophistication. Designer furnishings flaunt a chic swatch of multi-hued greys enhanced by shimmering mirror accents and contemporary chic additions. An elegant drop-down fireplace curates an exceptionally romantic ambiance before spellbinding dusk scenes. A dominating banquette promises fantastic evenings of epicurean exploration in the wine cavern. Elegant pipe lighting imparts an industrial-chic edge to the warm incandescent glow of the dining room at dusk. This luxury Villa is lauded for its exceptionally modular spaces that adapt to guest needs. Walls are inlaid with local stone, in irresistibly rustic contrast to luxurious fabrics by Rubelli of Venice and bath fixtures by Stella of Italy. Villa Erosantorini accommodates ten guests in five exceptionally poised bedrooms for optimal communal living and guest autonomy.

Spectacular alfresco spaces maximize interaction with the Villa's larger-than-life vistas. A dominating 115-foot infinity pool with a grotto offers the ultimate refreshment from the midday sun. An abundance of outdoor deck spaces beckons invigorating rituals from sea-view yoga and pilates to indulging in the therapeutic waters of three hot tubs. A 13-foot alfresco table invites the entire party for dusk dining, with the nearby cliffside firepit offering an unreal setting for after-dinner aperitifs.

Santorini is an Island of cataclysmic beauty where ethereal lunar landscapes meet red cliff sides and deep blue crystalline waters. Straddling rugged rock faces are the villages of Fira and Olio, whose blue domes and whitewashed facades make it an ideal honeymoon destination. Classic Cycladic architecture speckles the summits of imposing rock formations, which appear like an ethereal layer of snow. Far more than just a pretty place, Santorini is home to a unique viticultural tradition, while a robust luxury resort infrastructure has made the island synonymous with exclusivity and prestige. Cosmopolitan indulgences from fine dining to the most extraordinary spa resorts are brought to Santorini's otherworldly shores.
