IMEROVIGLI

Santorini is an Island of cataclysmic beauty where ethereal lunar landscapes meet red cliff sides and deep blue crystalline waters. Straddling rugged rock faces are the villages of Fira and Olio, whose blue domes and whitewashed facades make it an ideal honeymoon destination. Classic Cycladic architecture speckles the summits of imposing rock formations, which appear like an ethereal layer of snow. Far more than just a pretty place, Santorini is home to a unique viticultural tradition, while a robust luxury resort infrastructure has made the island synonymous with exclusivity and prestige. Cosmopolitan indulgences from fine dining to the most extraordinary spa resorts are brought to Santorini's otherworldly shores. No stranger to the limelight yet shrouded in mystique, this isle must be experienced to be believed.
