VILLA ANNA

COSTA SMERALDA, SARDINIA

Villa Anna is an exquisite residence atop the iconic verdant hills of Pantogia. Perched in the heart of Costa Smeralda, this luxury vacation rental commands astounding vistas over Pevero Bay. Enviably perched, the residence is just over a mile from the stunning port town of Porto Cervo. Between inexhaustible panoramas and explosive foliage, this home presents a portal into the very soul of Sardinia.

The stunning Sardinian vacation estate presents sublime interiors that seamlessly blend Mediterranean charm and a delectable boho-chic sensibility. Inspired by the glorious seaside terrain, revel in the coziness of the cavernous rounded edge interiors. Stunning interiors are supplanted with painted wood beams apparently sculpted from fine meerschaum, imbuing the space with ethereal seaswept beauty. Elegant terracotta tiles and fine modern loungers create a one-of-a-kind ambiance smattered with choice nautical elements. Arched doorways and ample windows opening up to the bay create an intimate relationship between the glorious exteriors and the complementary romantic decor. The spacious, fully equipped kitchen with barbeque and pizza wooden oven beckons gastronomic indulgence. Each of the five sumptuous bedrooms abounds with an old-world bohemian fair. A master bedroom flaunts an ensuite, walk-in wardrobe, sitting area, and sea view veranda. One of the bedrooms is a family suite, offering a comfortable double bed and twin beds, perfect for a restful stay for a couple with children.

An outdoor recreation area, massage room, and sauna establish Villa Anna as a haven of relaxation and recreation. A stylish outdoor deck commands unparalleled bay views, fully equipped with a swimming pool, jacuzzi, solarium, and a terrific alfresco lounge and dining area. Indulge in delicate Italian dishes and a fine vintage with the glittering lights of Porto Crovo in the distance.

- Water View

SARDINIA

COSTA SMERALDA

From its dreamy white sand coves, sheer cliffs, and mountainscapes dotted with roaming sheep, Sardinia has become one of Italy's foremost luxury destinations. Here, La Dolce Vita living is particularly potent, with a distinct regional culture adding a novel spin to the Italian tricolor. An untamed hinterland meets the emerald waters of the Tyrrhenian, with dramatic rock formations sculpting countless craggy coves and serene enclaves caressed by frothy seafoam. Scattered pieces of heaven are everywhere – from the jutting cliffs, majestic canyons, mysterious underground caves, endless emerald waters, and lush greenery. Drop anchor along the picturesque coastlines of Costa Smeralda or Golfo di Orosei, or set sail for the epic La Maddalena Islands. Regional eccentricities and a striking culinary and gastronomic tradition will attract Italophiles, while an unmatched coastal playground ensures guests extend their luxury getaways indefinitely. Sardinia's majestic coastlines and rugged beauty have inspired some of the world's most revered novelists and bohemians. Writer David Herbert (D.H.) Lawrence famously regarded the island as "something different" and intangible, like "freedom itself."
