MARINELLA, SARDINIA

Villa Blossom is a spellbinding luxury vacation rental claiming the white sand shores of Marinella. This architectural marvel is an icon of the Sardinian coastline, with its striking pyramidical shape jutting out authoritatively before its lush hilltop perch. Immersive 270-degree views over the bay and the Island of Tavolara emanate from this revered beachfront vacation residence. A serene and secluded position along the most glamorous stretch of the Costa Smeralda in Porto Rotondo offers privileged access to stunning beaches and luxury amenities.

Interiors present a bold vision of cosmopolitan sophistication and minimalist elegance. Set over three floors, interconnected by an internal elevator, its bold pyramidical structure allows it to peep above the surrounding pine trees while affording glorious views of the famous Marinella beach. Crisp lines and oblique vertices sculpt ultra-modern common spaces defined by lofty dimensions and ultra-modern design. Wrap-around sliding glass and architectural skylights flood the residence with wrap-around sea panoramas and ethereal sun-kissed radiance. It features a spacious living room and dining area with sea views and a fully equipped kitchen. The region's leading designers have overseen every detail of the property's interior, while the heating and air condition systems are controlled by state-of-the-art automated technology. Five sumptuous bedrooms accommodate guests in utmost comfort, discretion. Top-notch amenities include a spa area with a sauna and hammam.

Revered access to the fine sands of Marinella Beach and the Island's finest seafood restaurants place Villa Blossom in a category of its own. A wealth of desirable features define this lavish getaway, including an immaculately manicured garden, a Turkish bath, and a sauna. The outdoor area features an expansive patio, a dining table with seating for up to 10 people.
