VILLA EMMA

SANTA VENERINA, SICILY

Villa Emma occupies a stunningly panoramic position atop its own hill on the east coast of Sicily. Uninterrupted 360-degree views take in the sparkling Ionian Sea to one side and the fertile flanks and lava peak of Mount Etna to the other.

This palatial residence features 12 stunning bedrooms and 12 magnificent bathrooms. The interior is simply exquisite- from the choice of top-quality furniture to the detailing. The living room is spacious while the dining area and kitchen are fully-equipped with outstanding furniture and appliance.

The views of this former aristocratic estate are further enhanced by the intense greens and citrus flashes of the grounds of the villa, which feature lemon groves, fruit orchards and vegetable gardens. The magnificence of Mother Nature is rivaled only by the spectacular 25-meter, south-facing infinity pool, the like of which we have never seen, and the delightful interiors, which have been renovated and refurbished to exactingly high standards.
