VILLA AHAVA

COLOMBIER, ST. BARTH

Villa Ahava is an elegant retreat set above the crystalline waters of Colombier, one of the most coveted enclaves in St. Barth. Positioned on a terraced hillside and oriented toward uninterrupted Caribbean panoramas, this luxury vacation rental commands sweeping views over Colombier Bay and the neighboring islets. Clean architectural lines, natural stone, and warm woods define a refined island aesthetic. In the exclusive St. Barth market, Villa Ahava delivers privacy, elevated design, and an atmosphere of effortless indulgence.

The interiors reflect a contemporary yet inviting sensibility, where natural materials and bespoke furnishings create a calm, gallery-like flow throughout the home. The living room opens seamlessly to the terrace, framed by full-height glass doors that dissolve the boundary between indoors and sea. A sleek, fully equipped kitchen anchors the home, paired with an elegant dining area designed for convivial gatherings and private chef experiences. Four serene bedrooms are distributed for privacy, each featuring a spacious en-suite bathroom, walk-in closet, and a splendid sea view over Colombier. Soft neutral palettes and tailored finishes reinforce a sense of understated luxury in every suite. A dedicated gym completes the interior experience, allowing wellness routines to continue in total privacy while overlooking the tropical surroundings.

Outdoors, Villa Ahava unfolds across expansive terraces with an infinity-edge pool seemingly suspended above the bay. Sun decks, shaded lounge areas, and alfresco dining spaces are framed by lush tropical landscaping and natural rock formations. The elevated position offers mesmerizing sunset views, while nearby trails lead toward Colombier Beach and opportunities for swimming, hiking, or horseback riding. The estate evokes a sense of serene seclusion, balanced by the vibrant allure of St. Jean and Gustavia just moments away.
