VILLA CASTLE ROCK

CAMARUCHE, ST. BARTH

Villa Castle Rock is an astounding multi-story residence straddling a dramatic hillside embraced by lush tropical foliage. Showstopping sea and mountain views abound from its commanding perch, offering otherworldy serenity moments away from high-end retail and fine dining.

Delivering nearly 11,000 sq. ft of unadulterated luxury, the ever eclectic Villa Castle Rock provides plenty and artful accents. Interiors present a delectable marriage of postmodern color and tropical exoticism. Stately sculptural interiors are paired with soaring exposed beam ceilings, emphasizing space and dynamism. A gorgeous Moroccon lantern dangles before sprawling built-in banquettes peppered with alternating beige, violet, and magenta throw pillows. A secondary living area doubles down on color, expansive windows creating an exquisite sense of continuity with the tropical vegetation and far-reaching sea views. The home's polygonal shape maximizes interaction with the outdoors, positing a bold indoor-outdoor living philosophy. Five exceptional bedrooms push the bounds of luxury tropical island living, featuring lavish spa-inspired ensuites and private outdoor terrace access. Leisure is lavish, from the hammam and fitness facilities to the wine cellar and degustation space garnished with fine art throughout.

Villa Castle Rock comes to its fullest expression with its gorgeous multi-leveled deck spaces, leaving no shortage of vantage points to take in the inexhaustible sea views. The outstanding top deck infinity pool juts out dramatically over the sea horizon, its waters cascading below to create a glorious focal water feature. Picturesque alfresco arrangements and wet bar are fully outfitted for evening entertaining.
