VILLA DOMINGUE

POINTE MILOU, ST. BARTH

Villa Domingue is a friendly mix of the modern and the Mediterranean. From a fine vantage point in Pointe Milou, this luxury property looks out over a wide panorama of the Atlantic Ocean and the distant island of St. Maarten.

It benefits from a two-floor layout that allows for plenty of togetherness but also delicious privacy. From the central living space, guests can enjoy access to the full, gourmet kitchen. This is open to the indoor and outdoor dining areas. The spacious living room features comfortable furnishings and a modern entertainment system, and yet everything in this open area really points to the terrace and the infinity edge pool. It has a workout room that might also have some appeal, not to mention the four luxurious bedroom suites.

With the different lounge areas of the terrace, the pool area is sure to be a major attraction for the eight guests that this stunning retreat can house. A blue-tiled pool set into the terrace also boasts the excellent sea views. Suitable for families or groups of friends traveling to St. Barth together on holiday.

ST. BARTH

POINTE MILOU

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
