VILLA ECLIPSE

CAMARUCHE, ST. BARTH

Villa Eclipse is an idyllic oasis with sweeping water views, nestled in the serene hills of Camaruche. This luxury vacation rental offers expansive vistas over the countryside and the ocean within a short drive to the beach and local shops. The villa's tranquil setting creates the perfect retreat for those seeking relaxation and luxury.

The interior of Villa Eclipse blends traditional island style with contemporary updates. Clear-cut straight lines and angles make a striking impression, while natural materials enhance the warmth of the space. Earthy tones and various wooden textures define the open-plan living area, creating an inviting atmosphere. The living room features sumptuous seating arrangements and expansive, open spaces ideal for entertaining or unwinding. The adjacent dining area, perfectly positioned next to the living room, exudes understated elegance. The kitchen offers style and functionality with its beautiful wooden cabinetry and sleek stainless-steel appliances. Six minimalist-style bedrooms, designed for up to 12 guests, continue the island-inspired theme with wooden accents. One of the bedrooms is located in a separate studio for added privacy. A well-equipped gym is also part of the villa's offerings, ensuring guests can maintain their fitness while on vacation.

The villa's exteriors are as impressive as its interiors. Incredible views over the rolling hills, sparkling Caribbean Sea, and offshore islands greet guests at every turn. These stunning vistas are further magnified by the outdoor terrace, which wraps around the entire villa. Covered lounge areas blend effortlessly with the indoor living spaces, offering shade and relaxation. At the center of the terrace is a large swimming pool framed by striking arches that create shaded alcoves in the water. Loungers are placed throughout the terrace, perfect for sunbathing.
