VILLA LE MANOIR DE LORIENT

L'ORIENT, ST. BARTH

Villa Le Manoir de Lorient is a gorgeous tropical estate that merges contemporary refinement with a distinct West Indies spirit. Embraced by lush tropical foliage, this luxury vacation rental is vaunted for its delectable zen ambiance. Perched a two-minute walk from one of St.Barths' most famed sands, Lorient Beach, this residence curates an exceptional Island retreat.

Sleek contemporary elegance and tropical exoticism marry beautifully in this glorious concept home spread across multiple pavilions. Majestic retractable glass walls eliminate the distinction between indoor and outdoor space, with a high-pitched vaulted ceiling accentuating a sense of vertical space and a delectable laissez-faire breezy ambiance. A stunning combination of olive walls and natural wood accents in the free-flowing great room presents a space teeming with cosmopolitan refinement. Bespoke high-end furnishings bring urban chic elegance to the tropics, with bold contemporary artworks, built-in etageres, and a sumptuous velour sectional. The private suites are perfected in bohemian seaside minimalism, each afforded the utmost comfort and discretion with private entrances to the lush outdoors. Six sumptuous bedrooms accommodate up to 12 adults, and the seventh additional one is perfect for four kids.

With ample covered and uncovered living spaces, this luxury vacation rental is a loving homage to St. Barth's delightful tropical weather, offering guests maximum outdoor interaction. A lovely network of boardwalks weaves through the tropical oasis, traversing soaring palms, whimsical hammocks, and koi fish ponds. A glorious focal pool is the ultimate venue for sunbathing and congregating, enveloped by aromatic flora and balmy sea tradewinds.

ST. BARTH

L'ORIENT

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
