VILLA LEGENDS B

LURIN, ST. BARTH

Villa Legends B is an extraordinary contemporary residence straddling a lush hillside. Glorious sea and mountain views abound from its dramatic palm tree entangled perch, presenting a tropical Island oasis in a class of its own. Boasting a superb Lurin location, this home finds itself within minutes of lively Shell Beach and the glamorous fine dining and high-end retail of Gustavia.

Astounding interiors present a delightful marriage of cosmopolitan elegance and tropical exoticism. Expansive retractable glass walls create a glorious sense of continuity, with the radian wrap-around veranda delivering vertiginous sea views—ample natural light dances across sleek glass console tables and scintillating silver accents. Striking, pristine white interiors present the ultimate canvas for glamorous furnishings, chic black and white prints, and gorgeous wood accents. A lovely great room features glamorous LED beneath soaring vaulted ceilings delineating an exceptional space for late-night entertaining. A magnificent kitchen and bar area features ultra sophisticated wood-toned cabinetry concealing top-of-the-line appliances, while an opaque wine storage brims with fine vintages. Five outstanding ensuite bedrooms are thematically designed under the auspices of the world's most beloved fashion houses. Flaunting the aesthetic of Yves Saint Laurent, Hermes, Chanel, and others, these bedrooms present the epitome of class, glamor, luxury, and style. Each guest is afforded the utmost discretion and comfort, with lavish ensuite bathrooms and private access to the shared terrace and sundeck.

Exquisite resort-like exteriors flaunt an expansive infinity-edge swimming pool jutting dramatically over the extraordinary Caribbean and verdant Island views. Replete with a jacuzzi, BBQ, wet bar, sun deck, and pool table, the outdoors is perfectly outfitted for all-day and all-night entertainment.

ST. BARTH

LURIN

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
