VILLA VITTI

GUSTAVIA, ST. BARTH

Villa Vitti is an exquisite contemporary residence flaunting far-reaching sea views from its spectacular hilltop perch. Gloriously embedded in lush tropical foliage, St. Barths' distilled natural beauty unravels before guests. Prestigiously perched, this stunning home is a very short promenade from the classic-Caribbean Flamands and Gustavia Harbor.

Gororgoues interiors fuse tropical exoticism and ultra-chic post-modern elegance. Beautifully austere and profoundly minimalist interiors flaunt dramatic vertices and striking dimensions, with soaring tray ceilings affording a stunning sense of verticality to the great room. Sliding glass walls on either side of the great room instill an insatiable sense of permeability and one-ness with the high altitude sea views, the backyard, a serene Zen garden complete with a Buddhist altar. Sleek lines embellish the home with striking symmetry and harmony, chic decor items including the stiff brush dinging chairs enveloping the ten count dining table. Glossy grey cabinetry flaunts a brash cubist direction in the chef's kitchen outfitted with top-of-the-line appliances and ample countertops. Villa Vitti presents five sumptuous bedrooms that spare no expense, exhibiting spa-inspired ensuites with private balconies and courtyard, garden, and pool deck access. Positing a bold indoor-outdoor luxury living philosophy, each guest is assured the utmost discretion and independence while maximizing interaction with the dazzling outdoors.

Scintillating mood light delineates an ultra-glamorous nocturnal venue with a wet bar and chic arrangements. Villa Vitta features a focal cantilevered infinity pool that juts dramatically towards the sea horizon. Blissful relaxation abounds from the jacuzzi, while shaded nooks and veranda spaces are ideally suited for all-day recreation.
