LA RESERVE RAMATUELLE VILLA 5

RAMATUELLE, ST-TROPEZ

La Reserve Ramatuelle Villa 5 is an exquisite coastal retreat set within the prestigious La Reserve Ramatuelle estate on the Saint-Tropez peninsula. It is positioned in the area of the domain closest to the shoreline. This seafront residence is enveloped by fragrant Provencal gardens and expansive Mediterranean views. Designed to embrace its natural surroundings, the villa offers a rare balance of privacy and serenity, while being close to the Riviera's most coveted destinations.

The interiors, conceived by renowned designer Remi Tessier, reflect a refined contemporary aesthetic softened by natural textures and a palette of neutral tones. Light-filled living areas unfold seamlessly, with elegant lounges opening onto the terrace and framing uninterrupted sea views. The kitchen is fully equipped for both private dining and chef-led culinary experiences, complemented by a refined indoor dining space and an outdoor summer dining area. Five bedrooms accommodate up to ten guests, each with luxurious linens and an ensuite bathroom, while the master suite enjoys a private wing with its own entrance and views over the pool and the Mediterranean. Additional features include a private pool, creating a fully serviced villa experience defined by discretion and ease.

Outdoors, the villa is set within approximately 40,903 square feet of landscaped gardens infused with the scents of lavender and pine, descending toward the sea. A spacious covered terrace with a fireplace, a lounge, and an alfresco dining area anchors life outside, while the heated pool reflects the endless blue horizon. With panoramic views, proximity to L'Escalet beach, and access to the estate's spa and curated experiences, the setting evokes a tranquil, immersive Riviera lifestyle.
