Spectacular interiors present a gorgeous fusion of contemporary chic glamor and pared-down sophistication. Pristine white-washed interiors offer the ultimate canvas for a host of potent architecture and design features. Golden-hued timber trusses accentuate the vaulted ceiling splendor of the exceptionally airy great room, while chic sputnik chandeliers add a flourish of high fashion glitz. Retractable glass walls and expansive openings curate a remarkable sense of permeability and oneness with the lush exteriors. A serene monochrome palette of white, alabaster, and neutral earth tones evoke the gorgeous hues of the Riviera sands. Zen sophistication and pared-down elegance meet their apex in Amrbosia's exceptionally dynamic common spaces, well suited for assembling and social spontaneity. This enticing Saint Tropez Villa entails five luxuriant ensuite bedrooms, each flaunting private garden access. An additional two bedrooms belong in the basement with a shared bathroom.
