LES SALINS, ST-TROPEZ

Villa Analiza is a spellbinding contemporary property embodying the glitz and glamor of the French Riviera high life. Belonging to the serene peripheries of Saint Tropez, this luxury vacation rental commands far-reaching sea views fringed by lush local foliages from its elevated perch. Otherworldly serenity and discretion are offered at a moment's notice from a raucous nightlife, unforgettable fine dining, and exclusive beach clubs.

Sleek lines and crisp vertices create scintillating open concept interiors fusing haute couture refinement and contemporary chic elegance. Striking dimensions and endless echelons of svelte glass walls disrupt the distinction between indoor and outdoor living. A neutral beige palette accentuates Analiza's impressive stature, polished precious stone flooring, and scintillating LED underscored tray ceilings simulating the prestige of the world's foremost art galleries. A monochrome palette offers the ultimate canvas for a host of evocative contemporary artworks, playful textiles, and installation pieces, imbuing the space with a delectable cosmopolitanism. Plush designer furnishings make up alluring seating arrangements navigating seamlessly to the ample veranda spaces. An ingenious floorplan retains the integrity of each space while retaining a free-flowing living philosophy and total permeability with the exteriors. Ten fantastic ensuite bedrooms accommodate guests in the pinnacle of comfort, discretion, and luxury, complete with lavish marble-clad baths, larger-than-life sea panoramas, and private garden access. Four ancillary bedrooms offer great lodging options for staff, assuring round-the-clock white glove service for discerning clients. Top-notch amenities include a fantastic home cinema, fitness room, media room, hammam, and wine cooler.

A wondrous acre and a half lot hosts no shortage of fantastic shaded and unshaded deck spaces for soaking in the sights or the replenishing sunrays. A network of serene paths and walkways navigate past terraced gardens, verdant lawns, and soothing water features. Two glamorous swimming pools offer the ultimate respite from the midday heat, while ample alfresco dining spaces beckon fantastic nocturnal entertaining opportunities embraced by balmy tradewinds and the glittering lights of Saint Tropez below.
