VILLA BELLAZARD

ST. TROPEZ, ST-TROPEZ

Villa Bellazard is an extraordinary contemporary estate poised gracefully on the sun-drenched hills of St. Tropez. Surrounded by undisturbed Mediterranean greenery, this refined retreat offers moments of pure serenity, cocooned from the vibrant pulse of the town's nightlife, world-class dining, and iconic beach clubs. Envisioning an unparalleled Cote d'Azur escape, the storied ports of Cannes and Nice lie just a scenic drive away, positioning the villa at the very heart of French Riviera prestige.

Inside, the ultra-luxurious interiors unfold with a sense of theatrical elegance. A pair of sculptural double staircases sets the tone, echoing the grandiosity of contemporary art museums and world-renowned maisons de design. The living spaces blend high-culture sophistication with subtle touches of exotic warmth, from rich timber accents to artisanal Polynesian-inspired stools framing the plush seating arrangements. Soaring vaulted shiplap ceilings, brushed in soft white, elevate the sense of airiness, invoking a philosophy of refined coastal indulgence. A tranquil monochromatic palette amplifies the Riviera light, allowing the glass-clad great room to shimmer in a gentle, golden luminosity from dawn to dusk. Haute couture sensibilities meet organic seaside textures, where understated LED-lit tray ceilings and luxurious natural finishes compose a visually symphonic residence. The estate encompasses a fabulous great room, a serene library, and a gourmet chef's kitchen designed for elevated culinary moments. Seven opulent ensuite bedrooms host up to 14 guests with absolute discretion, each featuring private garden access and spa-level Calacatta-marble bathrooms.

Outdoors, the villa's magnificent infinity pool becomes the glamorous centrepiece of leisure, accompanied by a refined pool house complete with a fully appointed summer kitchen for effortless day-to-night entertaining. Manicured gardens and expansive emerald lawns create an enchanting backdrop for weddings, milestone celebrations, or serene alfresco repose, all unfolding against the timeless allure of the Riviera landscape.
