VILLA DREAMLAND

ST. TROPEZ, ST-TROPEZ

Villa Dreamland is a stunning Mediterranean residence brimming with quintessential Riviera prestige and glamor. Perched in idyllic pastoral settings, yet just over a mile from the eternal charms of St. Tropez, Dreamland is defined by its convenience. Manicured lawns and fragrant gardens delineate a secluded and gated oasis sure to please those seeking cultural or natural immersion.

Aesthetically immaculate interiors fuse contemporary chic elegance with seductive high-fashion styling. Eclectic, classy, and brimming with personality, the Villa's airy free-flowing common areas abound with a sense of hedonism and cosmopolitan prestige. Crisp white walls offer the ultimate canvas for a smattering of seductive velour furnishings, evocative sculpture, and neo-expressionist pieces. Scintillating velour upholstery offers a glamorous luster to the post-modern space, while nearby steel beam shelving showcases a lovely selection of fine literature and trinkets. A soothing palette of beige meets roughhewn natural wood beams, infusing the space with a dollop of pastoral romanticism. The dining area and kitchen are also superbly-designed, curating fantastic venues for late-night entertaining, pre-gala get-togethers, and lavish cocktails. Nine sumptuous bedrooms accommodate eighteen guests in total comfort, discretion, and elegance.

The enchanting grounds are anchored by a focal 66 X 23-foot swimming pool embraced by indulgent loungers, sunbeds, and sofas. Roomy lounge areas flank the shaded outdoor kitchen and dining area. Verdant lawns offer space for ceremonies or playful fun, while the roof terrace enjoys sweeping views of the coastal landscape and sea. An exceptional vacation ambiance is curated, matching the cachet of the Riviera's most exclusive beach clubs.
