VILLA LILIANA

ST. TROPEZ, ST-TROPEZ

Villa Liliana is an exquisite seafront estate in Les Graniers in the heart of St-Tropez, masterfully crafted with natural stone, sun-washed stucco, and terracotta elements that echo the Riviera's timeless architecture. Elevated above the coastline, the residence captures sweeping Mediterranean views and absolute privacy. In one of the world's most competitive luxury markets, this property stands apart for its scale, discretion, and fully serviced, experience-driven approach to refined coastal living.

The interiors reflect a serene Mediterranean elegance, blending organic textures with bespoke furnishings and curated artisanal accents. Neutral palettes of sand, ivory, and soft blue are complemented by woven rattan, linen upholstery, and sculptural lighting, creating an atmosphere of understated opulence. The principal living room opens generously to the gardens, offering plush seating, statement art, and an effortless indoor-outdoor flow designed for sophisticated gatherings. A secondary lounge provides a more intimate setting, ideal for evening cocktails or private conversations. The kitchen is both functional and refined, appointed with professional-grade appliances, custom cabinetry, and a central island suited for private chef service. Adjacent, the dining room is framed by garden views and features an elegant table designed for celebratory dinners and curated tastings. Ten beautifully appointed bedrooms are distributed across the estate, each offering en-suite bathrooms, bespoke finishes, and tranquil views.

Outdoors, manicured Mediterranean gardens unfold around a resort-style swimming pool, multiple terraces, and shaded lounging areas. Panoramic sea and hillside vistas create a remarkable backdrop for alfresco dining, sunset receptions, and private wellness sessions. With access to bespoke experiences, he estate evokes the rare privilege of Riviera living at its most elevated.
