VILLA MARJORIE

LES SALINS, ST-TROPEZ

Villa Marjorie is an outstanding Mediterranean property, prestigiously poised between the famed sands of Les Salins beach and the bustle of Place des Lices. Lush and serene pastoral environs envelop this romantic country estate, its lush grounds garnished by soaring cypress trees and umbrella pines.

Brimming with Provencal authenticity, this unique vacation rental was formerly a historic chapel. Lovingly refurbished interiors present an alluring fusion of minimalist chic elegance and country home romanticism. Sleek lines and crisp vertices make up radiant open concept spaces, while buxom exposed beams, vaulted trusses, and gigantesque arched doors ground the space in a proud centuries-old tradition. Uncluttered, chic, and pristine, shimmering tile floors make up the exceptionally breezy and permeable floorplan, punctuated with oversized openings and oversized windows. A cavernous great room is perpetually wafted by the balmy tradewinds and the heady aroma of Provencal vegetation. A wonderful array of seaswept decor elements ornament a gorgeous living space comprised of ultra-plush designer furnishings upholstered with crisp linens. A masterwork of understated luxury, monochrome interiors are expertly enlivened with dreamy pastel and timber tones, curating a Villa of total relaxation. Seven sumptuous bedrooms accommodate guests in total discretion, comfort, and luxury between the primary residence and a fantastically autonomous guest house.

Gorgeous exteriors of this Saint Tropez vacation rental make up a serene and intimate private oasis sure to charm the most discerning guests. A gorgeous alfresco setup is poised before an expansive pool deck embraced by a young orchard and soaring trees. Loungers embrace the heated swimming pool offering no shortage of spots to soak up the tranquility and the replenishing sun rays.
