VILLA ORIANA

LES SALINS, ST-TROPEZ

Villa Oriana is an enchanting pastoral residence attuned to the indulgent pace of Riviera living. This stunning sculptural residence abounds with an impeccable sense of artistry and organicism, setting it apart in a league of its own. Otherworldly serenity defines the property's lush foliage and well-manicured gardens, making up a marvelous luxury vacation estate conducive to the most rejuvenating stays.

Spellbinding interiors fuse tribal exoticism, sumptuous naturalism, and contemporary chic panache. Rounded edges, evocative sculptured elements, and a gorgeous breadth of sand and terracotta tones make up the delightful interiors. Each furnishing and decor element abounds with artistry, presenting an immaculate collision of Avante-Garde and primal stylings. Archaic yet elegant, Oriana curates an utterly distinct internal ambiance sure to dazzle the most discerning luxury adventurer and aesthete. A stunning diversity of pre-stressed timber and worn leather ground the space in rustic earth tones. Tribal vases and evocative sculptures harken imparting pre-historic intrigue to exceptionally bohemian interiors. A free-form seating arrangement convenes around a strikingly sculptured fireplace, natural wood exposed beams, and a flanking spiral staircase rounding off a one-of-a-kind entertainment space. This wondrous luxury residence features seven sumptuous bedrooms accommodating fourteen guests in the utmost comfort, style, and discretion. Two additional staff bedrooms may offer further lodging options for an additional four overnight guests, facilitating adventure and spur-of-the-moment impulses with ease.

Stunning exteriors retain the splendor of an authentic Balearic country home. Vine entangled facades and a network of stairs navigate past fragrant foliage and an immaculately well-kept lot. Expansive lawns and expansive multitiered deck spaces are filled with a diversity of alluring lounge and alfresco furnishings. A gorgeous turquoise-tinted swimming pool offers the ultimate respite from the midday heat before astounding pastoral vistas.
