VILLA PAREO

RAMATUELLE, ST-TROPEZ

Villa Pareo is a striking contemporary residence in Saint Tropez's prestigious Ramatuelle. Just minutes from the world-famous beaches of the Pampelonne, such as Tahiti, and the Place des Lices, this luxury vacation rental offers an unmatched portal into the glamor and elegance of French Riviera's fine living. A lush pastoral oasis awaits, spanning generous grounds peppered by soaring umbrella pines and fragrant Provencal gardens.

A veritable jewel of contemporary design, this complex's innovative interiors present the epitome of postmodern artistry and high-fashion glamor. Unique vertices and multi-layered ceilings curate an incredibly dynamic space, scintillating with shimmering glass and glossy white accents. Floor-to-ceiling walls embrace vast halls and a thoroughly dynamic floorplan, imbuing an exquisite sense of permeability with the outdoors. Steel beams are artfully arranged, adding a kaleidoscopic edge to the glorious glass walls of the great room. A bespoke low-profile sectional dominates a spellbinding seating arrangement plush with sumptuous textiles and tufted rugs. Avant-garde sculptural interiors resonate with the prestige of the world's foremost contemporary art galleries, custom openings, and architectural skylights harnessing the sun's rays in distinct and unlikely ways. Sleek, sparse, and streamlined yet far from austere, the home's minimalism is mitigated with explosive pops of color, adding a dimension of whimsy and playfulness to the trophy home. Eight sumptuous ensuite bedrooms accommodate 16 guests in utmost comfort, discretion, and style.

The exteriors of this gorgeous luxury rental offer an edgy architectural style comprising sunken decks, raised gardens, and private walkways that interact maximally with lush foliage and reflective ponds. Both homes feature private pool terraces, each outfitted with interior courtyards with zen water features, offering no shortage of space and discretion to soak in the pastoral tranquility or replenishing sun rays.
