VILLA THE VIEW

GASSIN, ST-TROPEZ

Villa The View is an elegant contemporary hillside retreat overlooking the Bay of Saint-Tropez, perfectly positioned moments from the iconic village while offering a private and tranquil setting. Located in Gassin and surrounded by beautifully landscaped grounds, this refined luxury vacation rental enjoys sweeping views across the Mediterranean and toward the legendary Saint-Tropez skyline. Clean architectural lines and expansive glazing give the residence a sophisticated contemporary character, creating a seamless connection between the villa and its exceptional Cote d'Azur surroundings.

Inside, floor-to-ceiling sliding glass doors fill the living spaces with natural light while framing uninterrupted views across the bay. The open-plan living and dining area flows naturally onto the terraces, creating a seamless transition between the interiors and the surrounding landscape. Contemporary design, refined furnishings, and high-quality linens contribute to the villa's elegant and tranquil atmosphere, while the five beautifully appointed suites provide private spaces for guests to retreat to. Throughout the residence, expansive glazing allows the natural beauty of the setting to remain a constant presence, with the Mediterranean panorama providing a striking backdrop to the interiors. The thoughtful relationship between the living areas, terraces, and views gives the villa an effortless sense of openness, while its contemporary aesthetic maintains a sophisticated and refined character.

Outside, landscaped terraces cascade along the hillside, creating multiple areas from which to appreciate the panoramic surroundings. Seating and lounging areas are positioned across the terraces, offering different vantage points over the bay, while the infinity pool extends toward the horizon and creates a striking focal point against the Mediterranean backdrop.
