VILLA ALEESA

MOUNTAIN VILLAGE, TELLURIDE

Villa Aleesa is a magnificent residence, popularly lauded as one of Mountain Village's most spectacular estates. Perched on a secluded lane, this luxury chalet is enveloped by the majesty of the Rockies and savage woodlands. Otherworldly serenity and natural splendor are offered at a moment's notice from the resort Village core, world-renowned slopes, and hiking trails.

Aleesa presents the purest expression of frontier town romanticism outfitted with state-of-the-art twenty-first-century luxury amenities. A Rocky Mountain classic facade with wide plank siding and gorgeous stone detail gives way to aesthetically immaculate interiors. Buxom roughhewn timber carves out stunning vaulted dimensions in a spectacular living room brimming with snowed-in coziness. A commanding native stone fireplace is paired with rustic log siding and supple leather upholstery. Damascene rugs, playful Navajo-inspired throws, and outstanding woodworking curate the ultimate venue for apres-ski downtime or lavish entertaining affairs. Swinging French doors and clerestory accents douse the interiors with extraordinary views over Mount Wilson and the golf course. The estate's grandiose stature is tempered by a galaxy of wood grains, curating an exceptionally warm and inviting space. Classic cabinetry, top-of-the-range appliances, and gleaming marble countertops offer a coveted workspace fit for the world's premier culinary master. Seven fantastic bedrooms are well-zoned out, assuring 16 guests the utmost discretion and comfort. Lavish spa-inspired ensuites and generous bedding envelop guests in a world of unadulterated luxury and bodily bliss. A games room packed with a wet bar, pool table, air hockey, shuffleboard, and ping pong will provide beckons of family fun.

The exteriors present a flagstone deck with a fireplace, hot tub, and plenty of plush seating. Villa Aleesa sets the scene for spellbinding alfresco scenes, savoring a fine red before the wondrous colors of dusk over the Rockies. An idyllic alpine oasis awaits, ideally suited for those seeking reconnection with the elements or those seeking to conquer them.
