## VILLA SHAY

MOUNTAIN VILLAGE, TELLURIDE

Villa Shay is a commanding luxury chalet embraced by the savage woodlands of Mountain Village. Otherworldly serenity, majestic natural beauty, and twenty-first-century amenities make up this serene alpine residence, a short drive from the bustle of Aspen. Coveted ski-in ski-out positioning curates an exceptional retreat for those seeking reconnection with the elements or those seeking to conquer them.

A handsome native stone facade gives way to a majestic double-story great room, pairing cathedral ceilings with floor-to-ceiling windows. Natural light and unobstructed woodland scenes stream into the gorgeous interiors pairing cosmopolitan sophistication with frontier-town rusticism. An elegant wrought-iron chandelier enhances a regal sense of verticality before an ultra-chic seating arrangement convened around a towering stone hearth. Urbane yet homey, the great room brims with snowed-in romanticism, providing the ultimate venue for apres ski downtime with family or evening get-togethers. A custom country-style gourmet kitchen is ideally configured for social spontaneity and lavish dining. Timeless traditional cabinetry, gleaming Calacatta quartz countertops, and a double Wolf gas range curate an exceptional workspace for the culinary master. Six sumptuous bedrooms spare no expense affording comfort and discretion for twelve, while an ancillary bunkbed may elevate capacity to fourteen. The master bedroom flaunts king-sized bedding, a walk-in closet, and an opulent ensuite bathroom with a jetted tub and separate shower. Alluring extras include a games room and full-sized pool table beckoning friendly competition and lovely memories.

Villa Shay's outdoors offer no shortage of shaded and unshaded deck spaces for soaking up the glory of the Colorado Rockies. This all-season beauty is outfitted with a top-floor alfresco terrace and a middle-floor deck with a hot tub. An additional lower-floor patio offers extra entertaining space enveloped by the crisp alpine air.

# TELLURIDE

## MOUNTAIN VILLAGE

Formerly a frontier town, Telluride is in the stunning southwestern portion of Colorado, a gold rush epicenter in the late 19th century. This former mining camp on the San Miguel River is witness to the majestic western San Juan Mountains blessing the region as one of the world's premier skiing destinations. A gondola ride connects the town with its companion, Mountain Village, at the base of the ski area. The charms of Telluride and the surrounding area have earned it recognition in popular culture and songs. The town symbolizes Americana, Butch Cassidy, and the frontier spirit, just as much as it represents pristine wilderness and unmatched ski slopes. An extensive cultural itinerary from music to film festivals dazzles during the summer. The Telluride Historic District, which includes a significant portion of the town, is listed on the National Register of Historic Places.
