VILLA BELLA

MIDTOWN, TORONTO

Villa Bella is a captivating blend of heritage and modern design, where a stately Victorian red-brick facade gives way to a sleek contemporary addition in the heart of Midtown Toronto. Behind its manicured front garden lies a lush private oasis, rare in the city, just minutes from the boutiques of Yorkville and the cafés of Summerhill. Embrace the exhilarating pace of urban living, then retreat to this serene sanctuary at day's end.

Interiors present a bold fusion of contemporary chic and playful artistry, where warm walnut ceilings, walls of glass and statement murals curate spaces brimming with personality. The family room gathers around a sleek linear fireplace beneath oversized drum pendants, flowing into a kitchen with walnut accents, a generous island and designer bar stools. A breakfast nook with colorful chairs and a sunlit formal living room with its own fireplace offer quieter corners to unwind. Seven bedrooms accommodate 14 guests in comfort and style, from a primary suite wrapped in botanical wallpaper to whimsical kids' rooms with graffiti and aviation murals. Bathrooms feature marble, frameless glass showers and a freestanding soaking tub. A media room with plush purple sectionals and table tennis, a glass-encased wine wall, a gym and a book-lined home office complete the roster of amenities.

Villa Bella comes to its fullest expression in its private backyard sanctuary, where a heated pool and hot tub are framed by towering bamboo and lush greenery. Tiered terraces offer plush lounge seating and sun loungers, while a dining area with a BBQ sets the scene for al fresco dinners. As evening falls, soft garden lighting transforms the grounds into a glowing urban retreat.
