CASA HA

ZONA HOTELERA, TULUM

Casa Ha is an exquisite beachfront luxury vacation home perched along some of the Yucatan's most revered stretches of coastline. Satiating the ultimate tropical beach fantasy, this home is embraced by lush tropical foliage and soaring palms, with unobstructed Caribbean vistas abounding from nearly every corner of the estate. Belonging to Tulum's acclaimed Hotel Zone, Casa Ha is moments away from famed fine dining and nightlife.

Spectacular interiors present a delightful fusion of contemporary chic elegance and seaswept romanticism. Sleek lines and crisp vertices sculpt modern spaces abounding with precision, from the tray ceilings and LED lighting to the ultra-svelte floor-to-ceiling glass. Indoors are privy to a gorgeous seaswept palette of beige, grey, and sand hues that find expression across multi-toned timber finishes and slatted wall accents. Low-profile designer furnishings dazzle in chic light seafoam, while textile chandeliers and wicker and rattan accents impart an uncanny sense of beach-chic whimsy to the home. This revered Tulum beachfront luxury rental includes a showstopping chef's kitchen, replete with precious stone countertops and commercial-grade appliances, curating the ultimate workspace for the culinary professional seeking to acquaint guests with the magic of Yucatan delicacies. Four fantastic ensuite bedrooms accommodate ten guests in total comfort, discretion, and elegance. Serene tropical decor fuses with excellent amenities not limited to direct beach and pool access, immersive sea vistas, and private balconies.

Casa Ha dazzles with its gorgeous swimming pool that navigates through the home before embracing the contours of the alfresco dining deck. A basket swing floats over shimmering water features, setting the scene for this beachfront vacation rental's most photogenic spot. Alluring sun loungers surround a Jacuzzi with outstanding ocean views, while a few barefoot steps separate guests from ethereal white sand coastlines speckled with rustic palapas.

TULUM

ZONA HOTELERA

The laid-back beach town of Tulum has established itself as one of the planet's principal beach destinations and with good reason. Cliffs, ruins, neon water, and white sand all come together in a storybook vision. Visiting in early December or May is a good option, since it's warm and sunny, but crowds are minimal. Gone are the days when Tulum's visitors could expect rustic bungalows without electricity. In less than a decade, the town has remade itself into a very "in" spot frequented by celebrities and socialites. Tulum is now replete with world-class restaurants, high-end boutiques and accommodations. The most ideal way to spend an upscale vacation is in the best villas in Tulum offered by LVH Global.
