HACIENDA PALANCAR

SIAN KA'AN, TULUM

Hacienda Palancar is an astounding estate embraced by the Yucatan's mystical jungles. A few barefoot steps from ethereal white sand beaches, this palatial residence presents a magical tropical oasis spanning eighty-six acres between Capechen Lagoon and the Caribbean Sea. The wondrous natural beauty of Sian Kaan Nature Reserve surrounds discerning luxury travelers, rounding off an unmatched Tulum vacation rental.

Masterfully built, the enchanting Hacienda Palancar offers unparalleled luxury and state-of-the-art amenities. The whimsical tangerine facade peaking out from the verdant tropical foliage offers the most romantic iterations of Hispano-Arabesque architecture. Interiors resonate with Imperial grandeur, a sizeable loggia, navigating seamlessly to palatial interiors laden with dynastic opulence. Soaring ceilings are decorated with a frescoed crown, while ornate gold gilded chandeliers drape majestically over a regal salon. Rococo-inflected and Islamic elements merge delectable while a cavernous gourmet kitchen flaunts gorgeous Azulejo-style tiling. The interiors are awash with expertly curated trinkets spanning eras and multiple cultures, accounting for an aesthetic feast for the senses unlike any other. Old-world aristocratic refinement evokes the Enlightenment era's most charming chateaus, tempered with tropical exoticism. Eleven fantastic, distinctly furnished ensuite bedrooms offer private jungle terrace access, lush jungle views, and private balconies.

This property features the seclusion of a private island with an entire armada of contemporary comforts. Hacienda Palancar's wraparound verandas connect each of the property's five buildings. Surrounded by technicolor greenery, take comfort in over a half-mile of private white-sand beaches. A private pool flanked by glorious palms provides the ultimate shade for unforgettable alfresco dining.

TULUM

SIAN KA'AN

The laid-back beach town of Tulum has established itself as one of the planet's principal beach destinations and with good reason. Cliffs, ruins, neon water, and white sand all come together in a storybook vision. Visiting in early December or May is a good option, since it's warm and sunny, but crowds are minimal. Gone are the days when Tulum's visitors could expect rustic bungalows without electricity. In less than a decade, the town has remade itself into a very "in" spot frequented by celebrities and socialites. Tulum is now replete with world-class restaurants, high-end boutiques and accommodations. The most ideal way to spend an upscale vacation is in the best villas in Tulum offered by LVH Global.
