VILLA SOFIA

TANKAH BAY, TULUM

Villa Sofia is a spellbinding beachfront luxury rental perched along some of the Yucatan's most majestic shores. A pristine facade of neoclassical arches gloriously frames stunning ocean vistas framed by lush tropical foliage. Located in Tankah, minutes away from Tulum, Villa Sofia is an idyllic beachfront mansion for family vacations, excursions with friends, or a romantic getaway.

The interiors present a potent fusion of coastal exoticism and contemporary precision. Sleek lines and crisp vertices sculpt a thoroughly lustrous and intuitive open-concept living space well suited for social spontaneity. Modern precision meets romantic maritime charm with lovely wicker accents, opulent lacquered woods, and playful nautical decor. A cool olive-grey tone offers a chic canvas for a host of tasteful monochrome furnishings throughout this prestigious beachfront luxury Villa. The generous Caribbean sun streams through oversized windows and sliding glass, animating elite precious stone flooring for a stunning midday ambiance. A gorgeous Chef's kitchen with top-of-the-line appliances and shimmering granite countertops delineates the ultimate workspace for the culinary master. Villa Sofia includes five sumptuous bedrooms with king-sized bedding, lavish ensembles, and private access to a gorgeous shared terrace. Villa Sofia has a casita that features a sixth bedroom ideal for additional accommodation.

Regal balustrades and Romanesque columns frame a fantastic shaded loggia, offering a fantastic space for midday relaxation before inspiring Caribbean vistas. Villa Sofia's sizeable infinity pool overlooks ethereal white sand beaches crowned with a romantic palapa-shaded gazebo. Attuned to the indulgent pace of Yucatan coastal living, this revered Tulum beachfront vacation rental leaves none impervious to her charms.

TULUM

TANKAH BAY

The laid-back beach town of Tulum has established itself as one of the planet's principal beach destinations and with good reason. Cliffs, ruins, neon water, and white sand all come together in a storybook vision. Visiting in early December or May is a good option, since it's warm and sunny, but crowds are minimal. Gone are the days when Tulum's visitors could expect rustic bungalows without electricity. In less than a decade, the town has remade itself into a very "in" spot frequented by celebrities and socialites. Tulum is now replete with world-class restaurants, high-end boutiques and accommodations. The most ideal way to spend an upscale vacation is in the best villas in Tulum offered by LVH Global.
