ACUA VILLAS AT WYMARA

TURTLE TAIL, TURKS AND CAICOS

Acua Villa is an outstanding beachfront residence belonging to the prestigious Wymora luxury resort community. Perched a few barefoot steps from the Islands' ethereal white sands, this home curates an exemplary tropical sanctuary. Worthy of its prestigious Turtle Tail positioning, Acua Villa is perfected in opulent beachside living.

Interiors deliver the height of contemporary chic elegance to the gorgeous southern shores of Providenciales. Pristine white interiors dazzle with scintillating urban cool, while white oak-paneled ceilings hint at a beachy elegance. A sparse and precise layout speaks to an understated refinement, flaunting glossy, streamlined cabinetry and lustrous glass surfaces. A textured stone accent wall imparts an earthy rusticism. Retractable glass walls and clerestory windows run on either side of the great room, dousing the interiors in radiant natural light. Breezy, chic, and airy, Acua Villa challenges the distinction between indoor and outdoor space, with the salon buffering between the vast coastline and the intimacy of the courtyard. This retreat can comfortably accommodate up to nine guests between four exceptionally appointed bedrooms and a den. There are three king bedrooms and one bedroom with a pair of twin beds offering exceptional lodging versatility. All four have ensuite bathrooms. A striking master bedroom enjoys a private balcony with sensational views, while another king-sized suite opens up to the oceanfront terrace.

Gorgeous resort-like exteriors leave no shortage of vantage points to soak in the exquisite sea horizon. An infinity pool lies perpendicular to the expanse of the water, embraced by alluring sun loungers. A sunken lounge with a fire pit is ideal for evening cocktails, while an intimate internal courtyard offers an intimate secondary pool. The terrace yields to an oceanfront sundeck and private dock where guests may plunge into the heavenly waters.
