GRACE BAY, TURKS AND CAICOS

Amazing Grace is a marvelous beachfront residence perched alongside Turks and Caicos' most celebrated sands from Grace Bay to the Leeward canal. Perched on an astounding eighteen-acre estate with gated entry, this property offers otherworldly serenity and elegance, incorporating a private stretch of white sand beach.

Between 9,000 sq. ft of unadulterated luxury, Amazing Grace presents a delectable marriage of high culture glamor and seaside romanticism. Expansive arched French doors look unto an immaculate stone veranda flush with neoclassical accents. Rustic double-height ceilings display rustic exposed beams, the sitting room's vertical space garnished with an exquisite chandelier. Brick walls are treated with a dreamy plaster finish, adding a depth and texture perfectly outfitted with a superb selection of dainty, timelessly elegant modern furnishings. Sconce lighting adds an aristocratic flair to the interior's insatiable breeziness. A well-equipped Tuscan-style kitchen features a wine cellar, top-of-the-line appliances, and luxuriant granite surfaces, promising exceptional gastronomic experiences. The home's game room is a surefire hit, with the little ones outfitted with cutting-edge entertainment consoles. Five outstanding ensuite bedrooms are perfected in beach-chic luxury. The master bedroom has king-size, while the fifth bedroom has twin beds, ideally suited for traveling children.

A regal high ceilinged veranda offers an outstanding living space perpetually wafted by balmy trade winds and tropical fragrance. A focal 50-foot heated swimming pool and Jacuzzi are embraced with alluring loungers, while modern lighting creates a magical beachside nocturnal ambiance. The showstopping alfresco space provides picture-perfect views of the sea horizon with seating for seven.

GRACE BAY, TURKS AND CAICOS

TURKS AND CAICOS

GRACE BAY

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
