BEACH ENCLAVE GRACE BAY 6

GRACE BAY, TURKS AND CAICOS

Beach Enclave Grace Bay 6 is a sleek architectural villa set within the sought-after Beach Enclave community in Grace Bay, Turks and Caicos. Crisp white facades, floor-to-ceiling glass, and warm timber accents give the residence a distinctly modern, resort-caliber presence, set just a short walk from the powder-white sands of Grace Bay Beach. This luxury Turks and Caicos vacation rental offers access to a fitness center, padel courts, and tennis courts in the wider community, all just moments from the island's finest dining and boutiques. It's a home built for those seeking contemporary design paired with effortless beach access.

Inside, clean lines and a soft neutral palette create a bright, airy atmosphere throughout the villa's open-plan interiors. The great room flows seamlessly from an inviting living area to a sleek wet bar and a dining space framed by walls of glass that open fully to the pool deck beyond. A modern kitchen with waterfall stone countertops and integrated cabinetry caters easily to both casual meals and larger gatherings. Four ensuite bedrooms in the main house and one ensuite bedroom in the cottage accommodate up to ten guests, each dressed in crisp linens in soothing tones of grey and cream, with televisions and en-suite bathrooms finished in natural wood and stone. A dedicated game room with a pool table and a well-stocked wine storage area round out the home's entertainment offerings, while a sound system carries the mood throughout.

Beach Enclave Grace Bay 6 comes to life outdoors, where an infinity-edge pool stretches along the sundeck, framed by loungers and sweeping ocean views. An outdoor kitchen and al fresco dining area invite long evenings beneath the covered terrace, while a fire pit sets the scene for nights under the stars. It's a home that captures the modern, breezy elegance of Grace Bay at its best.
