Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
