Cinco Villa at Wymara is a gorgeous seafront estate perfectly embedded into a lush hillside overlooking the famed Turtle Tail Bay. This chic contemporary residence is embraced by lush tropical foliage, commanding extraordinary sea vistas from its elevated perch. Prestigiously poised just over two miles from the main resort, guests are moments away from world-class recreation and amenities, accounting for a comprehensive tropical Island luxury experience.

Aesthetically immaculate interiors are a triumph of contemporary chic elegance. Serene monochrome interiors are enhanced with subtle pops of warm wood, and whimsical driftwood decor items, while the exceptionally streamlined and uncluttered spaces focus on the home's artful dimensions, superior construction, and joinery. Pristine white interiors dazzle in positively radiant living spaces enveloped by the retractable glass walls and oversized windows. This Villa features five lavish ensuites accomodating ten guests in utmost comfort, discretion, and luxury. A sleek modern kitchen flaunts well-concealed top-of-the-line appliances and a gorgeous Calacatta marble backsplash. A five-seat counter and ten-seat dining area perfectly outfitted for fantastic gastronomic experiences with friends or family.

A gorgeous internal courtyard hosts a refreshing plunge pool with a waterfall feature. TURKS AND CAICOS

TURTLE TAIL

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
