DUNE HOUSE

LONG BAY, TURKS AND CAICOS

Dune House is a beachfront estate that redefines luxury vacation living in Long Bay. Set on an idyllic stretch of powder-soft shoreline, the villa captures the essence of superb beachfront living through its contemporary design, full-service offerings, and seamless indoor-outdoor flow. Infused with refined Belgian and Scandinavian influences, the residence balances clean architectural lines with organic textures. A coveted retreat for those seeking tranquility, style, and proximity to the turquoise waters of the Caribbean, Dune House stands as one of the finest private homes in this exclusive destination.

Designed with a soothing, sun-kissed palette, the interiors embrace natural materials and artisanal touches, creating an ambiance of effortless sophistication. Crafted for elevated gatherings and quiet luxury alike, the space is adorned with artisanal stone tables, textured natural elements, and sculptural lighting overhead. The adjoining dining and kitchen areas are framed by warm wood tones and custom millwork, with handwoven pendant lighting softly illuminating the interiors. Eight beautifully appointed bedrooms include two that offer custom lofted sleeping spaces, ideal for families or additional guests. Each suite is individually styled for comfort and serenity, with spa-inspired en-suites and subtle coastal decor. The home's layout supports both privacy and togetherness, ideal for groups seeking a bespoke experience in a refined setting.

The exterior grounds are as thoughtfully composed as the interiors, offering direct beach access and curated moments of leisure. A heated infinity-edge swimming pool stretches toward the ocean, while a second heated dipping pool near the villa's Whiskey Bar provides a relaxed, intimate setting. Sun loungers line the pool terrace and beachfront deck, inviting long afternoons beneath the Caribbean sun in the utmost comfort and privacy.
