LIDIJA HOUSE

LONG BAY, TURKS AND CAICOS

Lidija House is an astounding residence perched along some of Turks and Caicos' most enchanting coastlines. This lush tropical paradise boasts outstanding sea views and resort-like exteriors. Undoubtedly the crowning jewel of Long Bay Beach, this lavish residence presents the epitome of tropical Island luxury.

Outstanding diamond-shaped interiors flaunt gorgeous floor-to-ceiling windows inundating the pristine white indoors with electric turquoise. Ample natural light animates the symmetrical glory of the interiors, a lovely focal living area at the heart of this lavish residence. Classically styled chandeliers impart aristocratic prestige to the immaculate interiors, while ultra-plush sofas, scintillating glass surfaces, and travertine floors are perfected in breezy Island living. The home's serene monochrome palette of white, beige, and cream tones contribute to a serene and dreamy ambiance wafted by balmy tropical tradewinds. A gorgeous open provincial kitchen flaunts ample counter space and top-of-the-line appliances, while a seven-seat breakfast bar is outfitted for spontaneity and casual eats. Seven exceptional ensuite bedrooms accommodate fourteen guests in utmost comfort, discretion, and elegance. Shuttered windows and private outdoor access pair with a delectable neo-classicist theme, European aristocratic flair merging perfectly with breezy Caribbean living. Lidija House offers exclusive access to the luxurious amenities of the Long Bay Estates, including a sauna, tennis court, and gym, offering an exceptional stay for all guests.

Exceptional resort-style exteriors flaunt extraordinarily staggered plunge pools and water features, gorgeously interacting with the estate's independent bedroom pavilions. Private walkways navigate past an alluring jacuzzi and wading pool to exemplary deck spaces riddled with alfresco and lounge arrangements.
